

**Position:** Occupational Therapist (Part-Time or Full-Time)

**About Wings Learning Center:**

Founded in 2001, Wings Learning Center is dedicated to creating a nurturing environment where students with Autism Spectrum Disorder (ASD) can achieve personal growth and learn at their own pace. As a specialized school licensed by the California Department of Education, we serve students aged 5 to 22 with ASD and similar developmental learning differences. Our commitment includes ongoing staff development, training, and support to implement the most effective therapies and emerging technologies, ensuring our students' success.

**Responsibilities:**

- Collaborate within a transdisciplinary team to provide educational and therapeutic programs for students aged 5-22 with ASD.
- Assess and evaluate students' needs, developing individualized occupational therapy plans. Plan and schedule individual and group therapy sessions.
- Create customized occupational therapy materials tailored to each student's requirements.
- Participate in Individual Education Plan (IEP) meetings, developing goals and objectives, and providing appropriate occupational therapy recommendations.

**Requirements:**

- Valid Occupational Therapist license in the state of California.
- Bachelor's or Master's degree in Occupational Therapy from an accredited program.
- Previous experience as an Occupational Therapist is preferred but not required.

**Benefits:**

- Competitive salary, based on education and experience (\$45-\$55 per hour).
- Seven weeks of vacation, including Spring Break, Winter Break, Summer Break, paid legal holidays, and PTO days.
- 100% employer-paid medical and dental benefits; vision benefits available.
- 401(k) plan with employer contribution.
- Ongoing professional workshops and seminars.
- Tuition reimbursement.
- Small class sizes with state-of-the-art curriculum and technology.
